ACTION ALERT

To all concerned

Flange Wizard Tools' new pricing will become effective 7/26/04. To clarify ordering instructions for the Plasma Wiz (p/n 30061) and Plasma Cutting Guide (p/n PG-601) that now includes one bushing at time of order:

Simply add the bushing part number extension to 30061 and PG-601 – for example Plasma Wiz with a 61-**1.007** bushing will be ordered as a 30061-**1.007**.

Attached is an easy referral chart of the varied part numbers you may order.

NOTE: Bushings may still be ordered as a separate line item for customers with more than one torch size or needing replacements.
